

## What is the Lightbearers Institute?

The Lightbearers Institute is the primary teaching element in the Lightbearers Discipleship Community. It is a classroom setting where over the span of two years, students attend over fifty class sessions and complete two courses: Biblical Survey and Theology and Practice. The Institute seeks to give students Biblical literacy and sound doctrine, equipping them as church members for a lifetime and then stepping away to allow their churches will build upon this introductory foundational knowledge. In addition to participating in the Institute, students in a Lightbearers Discipleship Community live in intentional small groups led by a house leader, meet regularly with a mentor from their local church and are exposed to the work of the body of Christ among the nations. Our prayer is that these commitments connect students for life with Jesus, his people and his plan for the ends of the earth while we use their rental income to fund mission projects in Asia and northern Africa.

Lightbearers is not the church but, rather, exists to serve the local church. This conviction has impact in many areas, including the fact that the Lightbearers Institute is primarily taught by local pastors in order to emphasize to students our ministry's subordinate role and to introduce students to several healthy local churches. Remaining classes are taught by Lightbearers staff members and, in some instances, church laymen and laywomen.

## Week 8: Worldview 1

**Thesis:** A worldview is the lens through which we see the world, and like any lens, we often do not even realize that we are looking through it or that there are other options out there. The right lens, however, is indispensable to seeing the world as it truly is; for with the wrong lens, we often confuse truth and lies. Followers of Christ look to the Bible for their worldview, believing that the One who made the universe is our only hope for accurately understanding it. Worldview is what we live "according to," and we are not to live according to the traditions of men or elementary principles of the world but according to Christ.

**Primary Objectives:** At the conclusion of this session, students should understand: 1) What a worldview is and that everyone has one; 2) The Bible holds out a consistent worldview and one framework for describing a Biblical worldview is a progression from creation to fall to redemption to restoration; 3) The existence of other worldviews and the presuppositions held by proponents of those worldviews; and 4) The reality that our worldview greatly impacts the way we live.

**Key Readings:** Psalm 33; Isaiah 25; Isaiah 40; Hosea 2; Acts 17; **Colossians 2**; Titus 1:10-2:15

### Things to Remember:

- The Lightbearers Institute aims to teach Biblical literacy and doctrinal soundness. Christian unity and a love of Scripture should be displayed above the ability to win an argument. On potentially contentious doctrines, we primarily want to emphasize to students the bounds of historical evangelical orthodox faith. You are free to outline your particular opinion on these doctrines, but please acknowledge to students where there is notable legitimate debate on an issue.
- Class sessions usually run for 90 minutes and take place in an academic setting (students seated at tables), but please communicate with your local campus staff for exact details and location.
- In an effort to encourage students to engage with Scripture, students have assigned key readings (listed above), so it is wise to reference some of these readings. We do not ensure students have completed the assigned readings but mentioning and/or discussing these readings, particularly the bolded chapter, during class reinforces to students the need to complete these readings.
- Lightbearers Theology and Practice course follows an outline loosely based on Wayne Grudem's Systematic Theology. Please note, however, that students have not read Systematic Theology by Wayne Grudem.
- Please prepare an outline for students. A sample outline follows, but please note that this material is suggestive rather than prescriptive. Please use this sample to whatever extent is helpful to you, and communicate with local campus staff with any specific questions you have.
- Our most successful instructors consistently do three things: 1. Demonstrate clearly that their teaching and opinions are based in Scripture; 2. Communicate with students in an engaging manner; 3. Have a passion for the Scriptures and the God who inspired them.
