Multiply your impact with non-cash giving. Less to taxes. More for ministry.

One way to maximize your giving to Lightbearers Ministries is through non-cash gifts. This option not only enables you to make a potentially greater impact through Lightbearers, it also provides you with several important benefits.

Contributing non-cash assets before a sale eliminates capital gains taxes you would otherwise be required to pay from the sale of stocks, mutual funds, business interest or property. This method of giving may lower estate taxes and increase charitable deductions. Lightbearers would then liquidate the asset at the optimum time, maximizing the value and impact of the contribution.

We've assisted donors with contributions of land, houses, vehicles, stock and other appreciated assets and partnered with Donor-advised funds and impact investment groups (incl. PRI's). Please let us know how we can help you as well. To learn more about non-cash giving, please contact us.
